

# Technology of art

Friday, April 16, 2010  
3:08 PM

e.g. oil paints & marble

Representation - more scientific than  
oil paint + marble

Piss Christ - Andre Sorezano 1987

Photo of crucifix in jar of urine - but  
can't tell context from photo

Is it art? Can be offensive & beautiful?  
Was it just done for shock/money? Does that matter?  
Can it be both? wave or particle

---

## Digital Technology

Amazon website  
- Not art -

The Verr's Daughter - online novella  
- also text + graphics, interactive -  
yes art, only possible  
thru digital technology

How do we know?

Intent - to make money or not

What about knitting? Needlepoint

Decoration or graphic design VS Art

Renaissance - Plague destroyed previous economy  
Mid 14<sup>th</sup> cent allowing independent ownership  
- Sciences start including OPTICS  
- Linseed oil + pigment  
Paintings are buyable - still lifes & nudes
